PROFILE SUMMARY

Ambitious and detail-oriented Bachelor of Computer Applications (BCA) graduate with a keen focus on frontend development. Proficient in modern web technologies such as HTML5, CSS3, SCSS, JavaScript, and frameworks like React.js. Demonstrated ability to transform design mockups into responsive, user-friendly web interfaces. Possesses strong problem-solving skills, a collaborative mindset, and a passion for creating engaging user experiences. Eager to contribute to a dynamic development team and grow professionally in the ever-evolving tech landscape.

EDUCATION

Bachelor of computer application

2021 - 2024

St. Peter's College of Engineering and Technology

College in Avadi, Tamil Nadu

Higher Secondary Education (12th Grade)

2020 - 2021

S.M Nagar School
School in Avadi, Tamil Nadu

SKILLS

- HTML5
- CSS3
- JavaScript
- scss/sass

Frameworks/Libraries:
- React.js
- Bootstrap
- Tailwind CSS

Design:
- Responsive Design
- UI/UX Principles
- CSS Flexbox
- CSS Grid

Version Control:
- Git
- GitHub

PROJECTS & CERTIFICATIONS

Weather App Project (React.js)

Developed an interactive and responsive weather application using React.js to provide real-time weather data with a modern and user-friendly interface. Key features of the app include:

- Responsive Design: Ensured compatibility across various devices and screen sizes for a seamless user experience using CSS3 and responsive design principles.
- API Integration: Utilized the OpenWeatherMap API to fetch and display real-time weather data, including temperature, humidity, wind speed, and weather conditions for multiple locations..
- Error Handling: Included robust error handling mechanisms to manage API response issues and improve app stability and user experience.

Front-End Development Certification
Login360, Velachery

Completed a comprehensive front-end development course at Login360, Velachery, covering HTML, CSS, JavaScript, and modern frontend frameworks. The course included hands-on projects and real-time industry practices to enhance practical skills and knowledge.

INTERNSHIP EXPERIENCE

UI Development Intern
Contus Tech (chennai)
February 2025 - May 2025

- Assisted in developing responsive and interactive user interfaces using HTML, CSS, SCSS, and JavaScript.
- Collaborated with senior developers to implement UI/UX designs and optimize performance across devices.
- Contributed to code reviews and followed best practices for clean and maintainable code.
- Learned and applied Agile methodologies in real-time project environments.
